From the Desk of Mary Lyn:

We hope this month finds you each doing well. This is our FIRST new publication of our new calendar. We hope you all enjoy it and the new format. It’s a work in progress for the first few attempts, so bear with us. :)

March will hopefully bring us some beautiful spring days and warmer days ahead. I know that each of us are more than ready for springtime.

We have a couple of available apartments for rent. If you know of someone who is searching for Assisted Living, please send them our way! We’d love to have an addition to our Oak Ridge family.

We are looking forward to several activities this month and some trips out very soon around town. Please make a suggestion of something you’d enjoy doing at Oak Ridge or a place you’d like to visit in town.

Thank you for allowing us to provide love and care to you every day. We are truly blessed and grateful for your support.

Wearing of the Green

It’s hard to imagine a color other than green dominating St. Patrick’s Day celebrations, but for centuries, blue was associated with Ireland. One reason for the color switch was the Irish Rebellion of 1798, an uprising against British rule in which Irish soldiers wore green uniforms. As made famous by the lyrics of the ballad “The Wearing of the Green,” people began displaying the color as an expression of national pride.

An Irish Blessing

“May your neighbors respect you, troubles neglect you, the angels protect you, and Heaven accept you.”

What's all that BRACKET?

It's
time for

MARCH MADNESS!
